

AGENDA

1st CharIN Europe Conference

October 30th, 2019 | Arnhem, The Netherlands

We proudly announce the 1st CharIN Europe Conference taking place in the framework of the 1st CharIN Festival at Elaad in Arnhem, The Netherlands. During the event about 15 experts from various areas of the e-mobility charging sector will be giving presentations and exchanging in exciting panel discussions about the latest facts and trends around EV charging. CharIN members and all interested parties are very welcome to join the event. Join our dialogue about EV Charging around the globe and especially in Europe. Vehicle to Grid (V2G) and High Power Charging of Commercial Vehicles (HPCCV) will be the hot topics for our discussions. Be a part of the latest developments and activities driving these discussions.
